

## **Manager - Be the Virtual CFO for your clients**

**Full-Time – Australian-based role**

**Salary - \$110k to \$130k plus Super**

We seek a dynamic and driven individual to join our team as a Manager. This role is at the heart of our organisation, where you will excel in managing client relationships and take an active role in shaping their success. You will be a key driver in our clients' operations, bringing a CFO-like mindset to the table to ensure their financial health and sustainability. Your expertise will go beyond the traditional realm of client management - you'll be expected to proactively contribute innovative ideas and expert opinions to solve their unique challenges and situations. Moreover, you will be vital in delivering decision-makers with actionable information that empowers them to make strategic choices.

We are looking for individuals with high-level technical accounting skills who are ready to progress in their careers and are seeking their next career move. If you're ready to make a meaningful impact and are passionate about transforming businesses, we invite you to join us on this exciting journey.

The role will be responsible for overseeing a portfolio of approx. \$1m in fees.

### **About you**

We are looking for a qualified and experienced manager or strong senior looking to take the next step in their professional career. We want someone who is a team player with strong technical and communication skills, is experienced in developing staff, and enjoys fostering strong client relationships.

### **The Role**

Your role is to manage staff workflow and development, client relationships, and assist with the technical aspects of the work. With a CFO mindset to our client's operations, you will be encouraged to contribute ideas and opinions to any problems/situations that may arise—always ensuring that the information we provide to decision-makers is useful and makes an impact.

The role is a combination of management accounting and compliance. With a significant lean towards management accounting work (75%), you will be heavily involved in the review process of monthly reporting to key clients. Monthly reporting includes management accounts, dashboards, unit costing and ad-hoc analysis. Compliance work consists of reviewing financial statements, activity statements, acquittal calculations and annual tax returns.

### **Further duties and responsibilities:**

- Ensure the team delivers work to a high standard, on time, and meets all client expectations.
- Maintain strong team relationships, assist with performance management, goal setting, and provide regular constructive feedback and training to junior staff.
- Proactively develop and maintain client relationships.
- Innovate to improve processes and drive efficiencies internally and for our clients.
- Liaise with the ATO and other regulatory bodies as necessary.

## To be successful in this role, you will need to be/have:

- Demonstrates exceptional efficiency and productivity, consistently delivering high-quality work at a rapid pace
- Degree qualified in Accounting (or similar)
- A CA or CPA
- 5+ years' experience in a Business Services role or similar
- Experienced using Xero (advanced) and Excel (intermediate)
- Attention to detail & take ownership of your work
- Ability to manage multiple deadlines and clients
- Exceptional communication skills
- The desire to challenge yourself and the status quo, have a curious mind
- Must be an Australian Tax Resident
